Beaded Hair Strands – NEW CLASS:

Also, I think this beaded strand is much, much prettier than a feather. Stop in and try it on! It would be great to wear for an evening out, wedding, prom, anytime really!

Learn the basics of bead stringing, design, crimping, and how to use various tools. Choose from two different colors (dark/light) prior to the class. Strands are made from seed, bugle, and Swarovski Crystal beads. After this class you will be able to make anything strung (necklaces, bracelets, lariats, eye-glass holders, repair your broken jewelry, etc).
